

During the year 2015-16, India spent Rs.4.82 lakh crores on imports to fulfill domestic demand. To reduce the import burden, and also to work towards to a greener environment, it is proposed to avoid usage of Petrol/Diesel for one day in a week. Our Hon'ble Prime Minister has urged all citizens to avoid usage of Petrol/Diesel for one day in a week. He has said that if 125 crore Indians pledge to do this; the dream of a 'New India' can be achieved. Citizens are invited to suggest ways for encouraging and motivating the masses to avoid the usage of Petrol/Diesel for one day, every week.
